

# NA2002

arrotolatore standard chiuso 15m, 1/2" – close standard hose reel 15m, 1/2" – standard enrouleur fermé 15m, 1/2"

dati tecnici-technical data-fiche technique:

pressione di esercizio working pressure pression de service	80 bar	
lunghezza tubo hose length longueur de tuyau	15m	
tipo di tubo type of hose type de tuyon	R1AT	
Ø tubo Ø hose Ø flexible	1/2"	
raccordo ingresso inlet connection raccord d'aspiration	1/2" F BSP	
raccordo uscita outlet connection raccord de sortie	1/2" F BSP	
peso a vuoto empty weight poids à vide	25kg	
ingombro imballo packaging dimensions du carton	53x53x27 cm	
materiali a contatto con il fluido materials in contact with the fluid materiux en contact avec le fluide	guarnizioni seals joint	NBR/EPDM
	raccorderia fittings raccords	AVP free-cutting leaded steel AVP
	girevole swivel raccord tournant	AVP free-cutting leaded steel AVP
